WINE & DRINKS

Our wine list has been carefully crafted to showcase the quality and breadth of New Zealand wine. It features a collection of local Canterbury wines from Waipara, just north of Christchurch, renowned for Chardonnay, Riesling & Pinot Noir.

Alongside these top local offerings, sit some exciting wines from New Zealand's other prominent grape-growing areas: Marlborough, with a history inextricably linked to Sauvignon Blanc; Central Otago, famous for Pinot Noir; and from Martinborough and Hawke's Bay along the North Island's warm east coast. In recognition of Australia's wonderful full-bodied reds, we have included some marvellous South Australian wines from the Barossa and Clare Valley.

Complementing a well-established reputation for wine, New Zealand brewers are gaining global recognition. Our beers are produced by celebrated Christchurch craft brewery "Three Boys".

We can also help you choose from a wide selection of spirits, liqueurs, fruit juices and soft drinks. Please feel free to ask our advice.

BEER

Our beer comes from Three Boys Brewing in Woolston, Christchurch. The brewery was established in 2004 by Ralph Bungard, a scientist with a background in plant biochemistry and a passion for beer. The Three Boys team personally tend each small-scale brew, right from selecting the best malt and hops until it leaves the brewery. Their beers are a living product; not filtered and not pasteurized - just as nature intended. The aim is simple: finest quality beer, finest possible taste.

BEER ON TAP

IPA (5.2%) **\$12**

An elegant malt character underpins a striking mix of South Pacific hops. This New World hop-packed beauty looks as good as it tastes.

Lager (4.5%) **\$12**

A European-inspired gem! Crisp, clean and refreshing- just as a good lager should be.

OTHER BEER

Pils (5.5%) **\$13**

Three Boys take on the classic bohemian pilsner style. The brewers cut no corners to bring you all the beauty of a traditional Pilsner but watch out, it takes a turn with the addition of New World hops late in the finish to create our own South Pacific Bohemian!

Hoppy Porter (5.2%) **\$13**

Dark but never heavy malts bring smooth chocolate flavours that mingle with tropical New World hops. Don't be fooled by this dark horse. Deceptively hoppy and refreshing - like a cool late summer night under the hop vines.

LOCAL Session IPA (2.5%) **\$13**

Making a low alcohol beer that really packs a punch in flavour is a rather difficult task indeed. This one won't disappoint! Nice body and gorgeous hop aromas.

Emerson's Little Bird IPA (0%) **\$11**

Alcohol free with expressive hop flavours.

CIDER

Monteith's Crushed Apple Cider (4.5%) **\$12**

A clear cider fermented from crushed New Zealand apples. Full flavoured, crisp and thirst-quenching.
