

Wines & Drinks

Our cellar features a great range to introduce you to the different wine regions of New Zealand and Australia. The closest wineries to us are in the valleys of Central Otago, only 120km (80 miles) to the south. Cool dry nights and hot days in the summer and cold winters make for intense flavoured pinot noir, the wine for which Central Otago is very famous.

If you are starting out in your appreciation of New Zealand wines, we are happy to help you find the wine you most enjoy. Our collection is sourced from four famous Southern Hemisphere wine regions:

Hawkes Bay (Chardonnay, Merlot and Syrah)

Marlborough & North Canterbury (Chardonnay, Sauvignon Blanc, Pinot Gris)

Central Otago (Pinot Noir, Riesling and Pinot Gris/Grigio)

South Australia and Western Australia (Shiraz, Cabernet) Hot summers create world class full-bodied wines that complement those from NZ's cooler climate.

Two small breweries are our main beer suppliers. Emerson's (Dunedin, Otago) brews an exciting range of boutique beers. Local brewery Monteith's (Greymouth) has a history dating back to the West Coast goldrush in the 1860s. Our bar stocks a good range of spirits or we can create a cocktail to ease your aching muscles.

We also have a selection of natural fruit and carbonated drinks. Benjer Juices of Central Otago are all produced without preservatives or additives and use local fruit. Our tap water is straight from the Moeraki River and the Southern Alps, sand filtered and perfect to drink.
